RE: Credit Facility RM 200,000.00

We are the manufacturer and supplier for Genius Cooling Tower in Malaysia and Asean Countries. On the basis of long established reputation of your esteem organization, we would like provide IACS Engineering Sdn Bhd a credit facility line of RM 200,000.00 for a credit term of 60 days for all our product range.

We will provide fully technical support, product, training after sales service and trouble shooting to your project team. We reserve the right to amend the credit facility as and when necessary. We looking forward for a long term business establishment.

Thank you.

Yours faithfully,
GENIUS PREMIER SDN BHD
